

## Del City Bulk Waste Program

The City of Del City approved a bulk waste collection program for residential customers. The funding for the Bulk Waste program is collected monthly by a two dollar (\$2.00) increase in sanitation services for **residential accounts only**. We have contracted with Waste Management to handle the program, which occurs twice a year (spring and fall). The next event begins the week of **April, 30<sup>th</sup> 2018**.

### **Bulk Waste Set Out Procedures:**

- Items should be set out at least five (5) feet from mailboxes, **gas meters**, cars, shrubs, **trees**, signs or anything else that could interfere with the mechanical lifting arm. **Look up before starting your pile for high line wires. Do not place items on water meters.**
- Items should be set out at least ten (10) feet away from utility poles, to prevent contact with overhead power lines.
- Place your Bulk Waste **at the curb no earlier** than Thursday, April, 26<sup>th</sup>. 2018, but **no later** than **6 a.m.** on Monday, **April, 30<sup>th</sup>**.
- Small or loose items (such as clothes and toys) must be boxed up or placed in trash bags to be picked up.

Waste Management picks up no more than **four (4) cubic yards** of bulk waste (**equals to a pile the size of 6x6x6 only**) each collection event. The bulk waste service is for Residential Customers only. Commercial businesses are not included in the bulk waste program. Waste Management makes **one (1) pass** through the City on each event. They use two (2) types of collection trucks—meaning, it is possible for your neighbor to be serviced on one day and your home on another day during the collection week.

<b><u>THEY WILL PICK UP:</u></b>	
Cardboard Boxes – broken down and tied into tight bundles	Large and small household appliances
Carpets	Mattresses
Fencing	Non-contracted remodeling waste (do-it-yourself projects)
Furniture	Trees and Limbs

<b><u>THEY WILL NOT PICK UP:</u></b>	
Acids and Caustics	Hospital/Medical Waste
Antifreeze	Lubricants
Automobile Frames	Nuclear Materials
Brake Fluid	Oils
Bricks, Dirt, Rocks, and Concrete	Pesticide
Car Battery	Poisons
Contractor Construction/Reconstruction/Demolition	Pool Chemicals
Contractor Tree and Grass Trimmings	Propane Tanks
Crankcases or Transmissions	Repair Waste
Degreasers	Rust Remover
Explosives	Sewage and Liquid Waste
Fertilizer	Sheetrock or Roofing Items
Gasoline, Kerosene and Other Fuels	Tires and Rims

### **Waste Management will only pick up four (4) cubic yards.**

Excess material must be **removed from the curb by Saturday following the clean up**. Residents can make arrangements with the Sanitation Division to have the material picked up at an additional charge. **Waste Management will only pick up a pile in size of 6x6x6 if the pile is larger it will be up to the home owner to remove the remaining amount them self's or pay to have it picked up.**
